

## LEMOSHO ROUTE 11-DAY ITINERARY

### Travel Day

Travel to Kilimanjaro International Airport (JRO). Typically takes over 24 hours from the U.S. including a stop in Amsterdam or London. Please be sure your arrival in Tanzania coordinates with the first day of the program.

### DAY 1 MOSHI (*this is the start date listed on our dates and prices on the website*)

We will pick you up at the Kilimanjaro International Airport (generally at 9:00 PM) and drive about 45 minutes to the hotel in Moshi.

### DAY 2 MOSHI

We will have a group meeting in the morning and spend part of the day organizing and packing all of our gear. In the afternoon we may take a hike to stretch our legs or relax by the pool.

### Day 3 To Mti Mkubwa Camp 9000ft. About 3 hours hiking.

After breakfast and briefing, drive to Londorossi Park Gate (2250m, 2.5 hours). From here a forest track requiring a 4WD vehicle leads to Lemosho Glades (2100m, 11km, 45 minutes) and a possible campsite. Walk along forest trails to Mti Mkubwa (big tree) campsite.

### Day 4 To Shira 1 Camp 9000ft to 11,500ft About 5 hours.

After breakfast, we continue as the trail gradually steepens and enters the giant heather moorland zone. Several streams are crossed then it gains the Shira Ridge at about 3600m and drops gently down to Shira 1 camp located by a stream on the Shira Plateau.

### Day 5 To Shira 2 Camp 11,500ft to 12,600ft About 2 hours.

After breakfast, a gentle walk across the plateau leads to Shira 2 camp on moorland meadows by a stream. A variety of walks are available on the Plateau making this an excellent acclimatization day.

### Day 6 To Barranco Hut 12,600ft to 12,700ft About 6 hours.

From the Shira Plateau, we continue to the east, passing the junction towards the peak of Kibo. As we continue, our direction changes to the South East towards the Lava Tower, called the "Shark's Tooth." Shortly after the tower, we come to a second junction which brings us up to the Arrow Glacier at an altitude of 4,876 meters. From here we continue down to the Barranco Hut at an altitude of 3,860 meters. At the hut we rest, enjoy dinner, and overnight. Although you end the day at the same elevation as when you started, this is a very important day for acclimatization and will help everybody to be well prepared for summit day.

**Climbing, trekking and skiing in the world's great ranges!**

#### **Day 7 To Karanga Hut 12,700ft to 13,800ft** About 4 hours.

After breakfast, we leave Barranco and continue on a steep ridge passing the Barranco Wall, to the Karanga Valley (4200m) campsite.

#### **Day 8 To Barafu Camp 13,800ft to 15,100ft** About 4 hours.

After breakfast, we leave the Karanga Valley and pass the junction which connects with the Mweka Trail. We continue to the Barafu Hut, which is located at an altitude of 4,600 meters. You have now completed the South Circuit, which offers views of the summit from many different angles. Here we make camp, rest, enjoy dinner, and prepare for the summit day! The two peaks of Mawenzi and Kibo are to be seen from this position.

#### **Day 9 To Summit and Millennium Camp Hut 15,100ft to 19,300ft** Approximately 11 hours.

Early morning, we continue our way to the summit of Uhuru Peak at 5,985 meters. This part of the climb takes about 6 hours. It can be very cold at night at these elevations, but it will be quite warm by the end of the hiking day. You will want clothing for both extremes with you. At Uhuru Peak, we have reached the highest point on Mount Kilimanjaro and the continent of Africa. Faster hikers will see the sunrise from the summit. From the summit we make our descent to the Millennium camp site. This portion of the descent takes about 3 hours. You will want gaiters and trekking poles for the loose gravel going down.

#### **Day 10 To Moshi 10,800ft to 6000ft** About 5 hours

After breakfast, we continue the descent down to the Mweka Park Gate. At lower elevations, it can be wet and muddy. Gaiters and trekking poles will help. Shorts and t-shirts will likely be appropriate but we will keep rain gear and warmer clothing handy. A vehicle will meet us at Mweka village to drive us back to the hotel in Moshi. After a well deserved shower it will be time for a celebration dinner. The next morning it is off to flights home or perhaps on to a safari!

**Day 11 Transfer from the hotel to Kilimanjaro International Airport, or head out on Safari!**

*Please contact us if you have questions on anything or if you would like more information.*
